

Bulletin

of the

Native Plant Society of Oregon

Dedicated to the enjoyment, conservation and study of Oregon's native plants and habitats

VOLUME 51, No. 6

JULY 2018

NPSO Fellow 2018: Barbara Mumblo

By Kristi Mergenthaler, Siskiyou Chapter

Barb Mumblo's family lived in five different states (never more than five years at any location) during her father's U.S. Air Force career. In 1975 she found her forever home in Oregon when she and her 6-year-old daughter visited Oregon. She was inspired to go back to school after participating in a plant hike on the Pacific Crest Trail at Mt. Ashland led by Dr. Frank Lang, a botany professor at Southern Oregon State College (SOSC, now Southern Oregon University). Barb finished her BS in Biology at SOSC in 1980 with enough classes in botany to qualify for botanist positions with the federal government.

Her first job was biological technician, gathering field data and monitoring rare plants for the Medford District Bureau of Land Management (BLM) from 1981–87. She then took a forestry

technician position with the Rogue River National Forest, which led to the district botanist position on the Applegate Ranger District within a couple of years. There she was responsible for "all things botanical," including managing the programs for rare plants, invasive species, fire rehabilitation, and restoration projects for bitterbrush and oak woodland communities. On New Year's Eve 2015 she retired as district botanist from the Siskiyou Mountains Ranger District (formerly the Applegate Ranger District), where she had served as botanist for 28 years, with occasional work on the Coast and in the High Cascades. She is best known as an advocate for the region's rare and endemic plants and for her work on noxious weeds, both as a professional botanist and as a volunteer.

For decades, Barb tirelessly tabled and presented community talks on identifying and controlling noxious weeds. She led or joined innumerable weed-pulling work parties and helped coordinate the annual Let's Pull Together educational noxious weed event with the Jackson County Weed Management Area. She took the lead in manually controlling a new threat, yellow floating-heart (*Nymphoides peltata*), in Little Squaw Lake, a project that involved removing plants and, with the help of scuba divers and volunteers in kayaks, covering the lake bottom with landscaping barrier fabric to prevent re-establishment by seed germination and rooting of fragments. Barb was recognized for her incredible service and received the 2002 Special Recognition

Award from the Oregon Department of Agriculture and the 2012 U.S. Forest Service Region 6 award for Invasive Plant Manager of the Year for outstanding dedication, professionalism, and effectiveness in combating weeds in the Pacific Northwest Region.

Barb joined NPSO in 1988, so has been a member of the Siskiyou Chapter for 30 years. She has volunteered in so many capacities that the following listing may not include all of them. At the State level, she served as NPSO Director-at-Large, 1989–91. At the Chapter level, she was President twice (1991–92 and 1996–97), Secretary/Treasurer (1988–89), and Field Trip Coordinator for four years (1991–95). Barb has also helped coordinate annual meetings, led numerous plant walks, collected and identified plants for the Siskiyou

Bulletin of the Native Plant Society of Oregon

Editor: Erika Wedenoja
Layout Artist: Cat Mead

ISSN 0884-5999. Published 10 times
per year. Subscription price speci-
fied in Membership Form printed on
inside back cover page of this issue.
Date and issue number on page 1.

The submission date is the 10th
of each month for the following
month's issue except for the Aug/
Sept issue which is July 24 and the
Dec/Jan issue which is November
24. Send submissions by e-mail to
bulletin@NPSOregon.org.

Opinions expressed in this publica-
tion are those of the authors of the
articles. They do not represent the
opinions of the Native Plant Society
of Oregon, unless so stated.

Bulletin Getting a Makeover

By Lisa Blackburn, State President

Our current *Bulletin* editor, Erika Wedenoja, is stepping down due to her other time commitments. After months of seeking another volunteer, we still do not have a new *Bulletin* editor. Therefore, the July *Bulletin* will be the last issue in paper format (unless someone volunteers immediately to become editor). Based on this situation, at the June NPSO State Meeting the Board decided to proceed with an email-only *Bulletin* format. Many organizations have already converted to an email format for member communications. For example, see the Washington Native Plant Society's (WNPS) monthly email newsletter and how it links to their web-site's calendar, blog, events, etc. (<https://wnps2.org/latest-newsletter>).

The Board recognizes this is a big change for the *Bulletin* and will likely be up-
setting for members who prefer to receive a printed copy. While we would like to
continue the current format, doing so requires a large budget for printing and mail-
ing (currently about \$800 per issue) as well as many additional hours of volunteer
time to prep each issue for printing and mailing. We anticipate an email *Bulletin*
format will be much less expensive, require less volunteer time, provide our mem-
bers with event information that is more up-to-date and timely, and help reach a
younger demographic.

The procedure for submitting content to the *Bulletin* editor is not changing
at this time. Please continue to send your *Bulletin* submissions to Bulletin@npsoregon.org. As always, everyone is welcome to contribute articles, photos,
illustrations, etc. to the *Bulletin*!

The new *Bulletin* will be emailed to all NPSO members. Those members who
continued on page 6

June 2018 State Board Meeting Highlights

By Lisa Blackburn, State President

Alix Danielsen agreed to set up a Google drive to store NPSO documents
online.

The Portland Chapter has a proposal from a designer to update the member-
ship brochure. The Board approved getting a draft redesign to review.

The Board agreed to update field trip guidelines and the liability waiver.

The Webmaster will continue to host NPSO subdomains and the listserves.
The main website will be hosted on the Rareheron website (the company redesign-
ing the NPSO website) at a cost of \$199 a year. The new website should be ready
to go live in late August or September.

The Board discussed the *Bulletin* newsletter, and made the decision to go with
an email only version since no one has volunteered to become the new editor. See
separate article in this issue for more details.

Editor's Note

This is my last issue as *Bulletin* editor. While the *Bulletin* cannot exist without
an editor, there are also many other volunteers who make this print newsletter poss-
ible. Writers, event coordinators, photographers, and illustrators create the con-
tent; the layout artist formats the content into an attractive newsletter; the mem-
bership chair manages mailing addresses and print counts; the mailing committee
prepares the printed copies for mailing; the webmaster posts the chapter events
and *Bulletin* PDF online. And every member, through a portion of his or her dues,
contributes to the print budget. Thank you one and all, the *Bulletin* is truly a com-
munity effort.

NPSO CALENDAR

State Notes

State Board Meeting

October 13, Saturday, 10 am-2 pm

The next State Board meeting will be hosted by the Cheahmill Chapter. Location: Carnegie Room, McMinnville Public Library, 225 NW Adams St. (corner of Highway 99W and SW Second St.).

Blue Mountain

For information on Blue Mountain Chapter call Jerry Baker, 541-566-2244. To get on our email list, contact flora.id@wtechlink.us.

Cheahmill

For questions, or to be added to the Cheahmill Chapter's email list for reminders of upcoming programs and events, please contact the Cheahmill Chapter President at ch_president@NPSOregon.org.

Meeting and work party location:

Carnegie Room, McMinnville Public Library, 225 NW Adams St. (corner of Highway 99W and SW Second St.), McMinnville. The library parking lot may be entered from either Adams or Second street.

July 28, August 25, September 22, Saturdays, 9-noon

Work Parties: Native Plant

Garden. Spend a couple hours with a congenial crew and get to know native plants with our new green plant markers. Learn how the beauty, diversity, and educational value of this mature demonstration garden is maintained with a minimum of effort. Bring gloves, bucket, and gardening tools if you have them. For more information, contact Catie Anderson, catie.fishback@gmail.com or 503-435-2401.

September 27, Thursday, 6:45-8:45 pm

Program: From Extinction to Recovery—Golden Paintbrush in the Willamette Valley. Tom Kaye, director of the Institute for Applied Ecology, will give a presentation on efforts to reintroduce *Castilleja levisecta* (golden paintbrush), to the Willamette Valley. The Institute is involved in several projects to restore our wetlands and upland

IMPORTANT NOTE TO FIELD TRIP PARTICIPANTS

Field trips take place rain or shine, so proper dress and footwear are essential. **BRING WATER AND LUNCH.** Trips may be strenuous and/or hazardous. Participation is at your own risk. Be prepared to sign a release form indicating this. A sample waiver form is available at http://npsoregon.org/documents/NPSO_waiver.pdf. Please contact the trip leader or chapter representative about difficulty, distance, and terrain to be expected on field trips. Dogs are not allowed. All NPSO field trips are open to the public at no charge (other than contribution to carpool driver) and newcomers and visitors are always welcome. You must pre-register for all events. National Forests require a Northwest Forest Pass for some field trip locations. Permits can be acquired at forest headquarters and ranger districts.

NOTICE TO FIELD TRIP CHAIRS AND LEADERS

The Forest Service and other agencies have set policies limiting group size in many wilderness areas to 12. The reason is to limit human impacts on these fragile areas. Groups using wilderness areas should be no larger than 12. A trip leader checklist and sample waiver form are available at: <http://npsoregon.org/calendar.html>

prairies. Reintroduction of rare and endangered species requires:

1. Developing successful methods for seed germination and plant propagation,
2. Field studies on success of direct seeding vs. transplants, and
3. Monitoring to evaluate site preparation strategies and the best micro-sites for planting.

Location: McMinnville Public Library, see above for details.

Corvallis

For questions, information on upcoming events, or to be on the Corvallis chapter e-mail list, contact co_president@NPSOregon.org. Find us on Facebook at facebook.com/CorvallisNPSO.

July 7, Saturday, 8 am

Field Trip: Iron Mountain and Cone Peak.

Hike the Iron Mountain-Cone Peak loop, identifying wildflowers in this botanical hotspot. We will return in the late afternoon. Bring a lunch and water, dress for the weather, and wear sturdy shoes. Location: meet at the OSU Wilkinson Hall parking lot southwest of the Beanery at 26th and Monroe. For more information and to RSVP, contact Dan: 541-752-8860 or luomad@fsl.ors.edu.

Emerald

Visit the Emerald Chapter Web site at <http://emerald.npsoregon.org> to learn more about the latest chapter events, plant lists & botanical information about Lane County plants & the people who love them.

Meeting location: The venue for programs this season is the Amazon Community Center at 2700 Hilyard St. in Eugene. Go to the M.L.I. Room in Building "C."

July 7, Saturday, 9 am-4 pm

Field Trip: Upper Elk Meadows.

Alan Curtis leads this hike, located about 30 miles from Cottage Grove at 4,000 feet elevation. Over 200 species of vascular plants have been

identified here. We expect to see *Frasera umpquaensis* and several orchid species. Surrounding the meadow is an old growth forest of *Abies amabilis*, *Abies grandis*, and *Pseudotsuga menziesii*. We will walk 1.5 miles through moist meadow. Wear boots and bring lunch and water. Location: meet at South Eugene High School at 19th and Patterson. For more information, call Alan Curtis at 541-345-2571 or email abcwoods1@gmail.com.

Filipendula

This is a newly formed chapter for the northern Oregon coast area. For more information, visit our Facebook page: NPSO-Filipendula Chapter, or contact Field Trip Chair Carla Cole, carlajeancole@gmail.com.

July 21, Saturday, 10 am

Field Trip: Botany by Bike at Fort Stevens State Park. We will tour the biking trails at the park, from Parking Lot A south to C Lake, then north to the old Fort, and back to the starting point. The trail is paved and mostly level with a few low hills and bridges. Plants include introduced *Ammophila* species (two), as well as native species of dunes and coastal forests. We plan to finish in early afternoon. Bring your own bike, water, lunch and snacks. Location: meet at parking lot A at Ft. Stevens (on the road to the south jetty at the NW tip of the park). For more details contact Amy Hutmacher, amyh@nclctrust.org.

August 23, Thursday, 10 am

Field Trip: Paddle Tour of Blind Slough. The Nature Conservancy's (TNC) Blind Slough Swamp Preserve is the largest remaining Sitka spruce swamp in Oregon, growing in freshwater tidal habitat on the Columbia River. Catherine Dunn, TNC, and James Thompson, long time TNC volunteer at Blind Slough and other preserves, will guide us through this 900 acre preserve for a glimpse of the historic condition of much of the Lower Columbia River region. Bring your own canoe or

kayak, PFD, water, lunch and snacks. Location: meet at the Brownsmead Grange, 42280 Fish Lane, to launch on private property. We'll plan to explore until mid-afternoon. We may return to the Grange for a post-paddle chat about what we saw. For more details contact Amy Hutmacher, amyh@nclctrust.org.

High Desert

For information, visit the High Desert Chapter website: www.highdesertnpsoregon.org and Facebook page: Native Plant Society of Oregon: High Desert Chapter, or email highdesertnps@gmail.com.

Klamath Basin

For information on the Klamath Basin Chapter, visit <http://klamathbasinnps.com> or contact the chapter president, kb_president@NPSOregon.org.

Mid-Columbia

For information on the Mid-Columbia Chapter, contact Sara Wu at mc_president@NPSOregon.org.

Portland

If you would like to receive the chapter's semi-official email newsletter, The Calochortus, email Don Jacobson at donjphoto@gmail.com.

Facebook: Take a look at our Facebook page. Native Plant Society of Oregon-Portland-Chapter. It will have the most up-to-date information on hike and other events as well as great plant pictures.

The Portland Chapter meets the second Thursday of most months. Meetings and programs begin at 7:00 pm. **MEETING PLACE: TaborSpace at Mt. Tabor Presbyterian Church, 5441 SE Belmont St., Portland.** We will meet in **Copeland Commons**; enter the church through the main door off Belmont and turn right to enter the room. Parking is available in the church lot on the NW corner of SE 54th and Belmont.

There will be no program meetings in July and August!

July 11, Wednesday, 6:30-8 pm

Field Trip: Tualatin Hills Nature Park. Join us on an easy walk to learn about and appreciate the native plants that make their home in Tualatin Hills Nature Park, a beautiful and diverse wildlife refuge located in the heart of Beaverton. With its wetlands, forests, and streams, this park enables visitors to appreciate native plants in a variety of natural settings. Our botanist guide will be sharing insights as we stroll. We will walk 1-1.5 miles on paved and unpaved trails with minimal elevation change. Held rain or shine. Registration limited to 12. Leaders: Rick Shory and Brenda Hamilton. To register, please contact Brenda, bhamilt86@yahoo.com.

July 14, Saturday, 9 am

Field Trip: Lookout Mountain, Badger Creek Wilderness. Hike 2.9 miles round trip with views from Mt. Adams to the Three Sisters. Wildflowers, geology, meadows. Elevation gain, 565 ft. to top at 6,525 ft. Location: meet at 9 am at ODOT parking lot across from Grace Su's restaurant, intersection of Hwy 35 and Historic Columbia River Hwy. Or meet at 10:30 am at Lookout Mtn. trailhead. Driving directions: Highway 35 south to Road 44 (paved) to Road 4410 (gravel) six miles to "T" junction, turn left, .25 mile to trailhead. About 30 miles from Hood River to trailhead. Leader: Jurgen Hess, professional photographer and native plant specialist, hess@gorge.net.

July 21, Saturday

Field Trip: Burnt Lake Interpretive Tour, Mt. Hood. We will hike 6.6 miles with a 1,420 ft. gain to High Point at 4,100 ft. Lady fern, devil's club, sword fern, starry solomon plume, oxalis, and bunchberry form a lush groundcover. The montane forest encircling the lake is composed of silver fir, cedar, hemlock, Sitka alder and mountain ash. Views of

multi-tiered Lost Creek Falls and Mount Hood reflected in Burnt Lake. Description adapted from oregonhikers.org/field_guide/Burnt_Lake_Hike. Register with leader Mary Vogel, mary@plangreen.net. Questions: call 503-245-7858.

July 22, Sunday, 8 am

Field Trip: Top Lake to Double Peaks, Ollalie Lakes Scenic Area: CANCELLED.

July 22, Sunday, 10:50 am

Field Trip: Sunday Parkways Green Loop Bike Tour. The Central City 2035 Plan envisions a loop park connecting nearly a dozen districts. We will ride the Green loop, which will run from the West End to Lloyd to South Waterfront, stopping by the Portland Art Museum, OMSI, the Rose Quarter and more. A draft map of the proposed route is available at portlandoregon.gov/transportation/article/676050. Location: Meet at Madison Plaza, near the Portland Art Museum streetcar stop on SW 10th Ave. Leader Mary Vogel will have a red bike helmet and a red platter on her rear bike wheel. To register, email mary@plangreen.net. Questions: call 503-245-7858.

September 13, Thursday, 7 pm

Program: Lichens of the NW Bioregion. Andrea Montgomery is a botanist for the South District of Gifford Pinchot National Forest in Trout Lake, Wash. and a noted lichenologist. She will discuss the most common Pacific NW lichens and their habitats. Location: TaborSpace at Mt. Tabor Presbyterian Church, 5441 SE Belmont St., see above for details. A chance to identify these strange life forms the following morning on a field trip will also be offered, within an hour of Portland, carpooling arranged. If you are interested in the field trip, contact Willow Elliott, salixsky@hotmail.com.

Siskiyou

To join the Siskiyou Chapter email list: Send

an email, from the address at which you want to receive announcements, to announce-join@siskiyounpsoregon.org. No subject or message is required. You will get a confirmation email. If you would like to volunteer to lead a hike in 2018, make a suggestion, or provide feedback regarding the field trip program, please contact Katelyn Detweiler, detweiler.katelyn@gmail.com. Join us on Facebook at: <https://www.facebook.com/SiskiyouChapterNativePlantSocietyOfOregon>

July 4, Wednesday, 10 am-4 pm

Wildflower Show: Irene Hollenbeck Memorial. This annual wildflower show features over 300 species of native flowers from the volcanic Cascades, the much older Siskiyou, and the valleys in between. Come meet some of our beautiful mountain flowers! Free admission. Coordinated by the Siskiyou Chapter. Location: Ashland Community Center, 59 Winburn Way (across from Lithia Park in Ashland). For more information contact Barb: bamumblo@gmail.com or 541-890-2091.

Umpqua Valley

Visit umpquavalleynativeplants.com for more information on chapter activities or to be added to our email list. Check out our Facebook page, www.facebook.com/UmpquaValleyNPSO. Not online - call Donna Rawson 541-643-0364.

Willamette Valley

For program information, contact John

Savage at 503-779-5414.

July 14, Saturday, 9 am-5 pm

Field Trip: Bugaboo Ridge Wildflower Hike. Straub Environmental Center educators and members of the Willamette Valley Chapter of NPSO will lead an all-day hike to view the wildflowers of Bugaboo Ridge, one of the premier wildflower hikes in the Central Oregon Cascades. The four-mile hike (with moderate elevation gain) passes through forest as well as dry, moist, and wet meadows, and features great views of Mt. Jefferson. Bring lunch, water, and appropriate foot gear and clothing. Location: Meet in the parking lot at the Willamette Heritage Center, 1313 Mill Street SE, Salem, at 9:00 am. Transportation will be provided to and from the trailhead. Cost: \$10 for NPSO and David Douglas Society members; \$15 for non-members. Cash or check accepted. Space is limited to 10 registrants, ages 12 and up. Registration is required. For more information and to register, call John Savage at 503-779-5414 or email John@straubcenter.org.

William Cusick

Chapter notices and communications are done primarily through a Google group. For more information or to be added to the Google group, please contact Susan Geer at 541-963-0477 or susanmgeer@gmail.com. Find us on Instagram at instagram.com/wm.cusick.chapter. Our website is not currently functional.

New State Board Members

New NPSO State Board members were installed at the 2018 Annual Meeting Saturday night banquet. Michael McKeag and Zak Weinstein, outgoing Directors, were recognized for their service. Thank you to all continuing Board members for your ongoing service! The new NPSO State Board is:

President:	Lisa Blackburn
Vice President:	Thea Jaster
Secretary:	Steven Yeager
Treasurer:	Cyndi Dion
Directors:	Dawn Anzinger, Alexis Brickner, Esther McEvoy (to 6/2019) Karl Anderson, Dan Luoma, Stephen Meyers (to 6/2020)

Barb Mumblo, *cont'd*

Chapter 4th of July Wildflower Show for over 30 years and identified plants for the Shady Cove Wildflower Show for 20 years. She led wildflower walks for over 20 years on the Table Rocks as part of The Nature Conservancy/BLM guided hike series. She currently oversees the enormous task of coordinating

the Irene Hollenbeck Memorial July 4th Wildflower Show in Ashland. She has also volunteered to help plan the 2019 annual meeting, to be hosted by the Siskiyou Chapter.

From her home in a forest in the Applegate Valley, Barb continues to volunteer in many ways to safeguard

our beautiful natural plant communities. It is not unusual to hear that someone spotted Barb along a roadside pulling invasive weeds. Barb is an incredible asset to the Native Plant Society of Oregon and skillfully and humbly makes a difference in the community.

Bulletin Makeover, cont'd

have not provided an email address will be contacted to see if they have an email address, so they can continue to receive the *Bulletin*. **Everyone should check to see that the email on record with the NPSO Membership Chair is their current address.** The Membership Chair emailed a PDF of the May and June *Bulletins* to every NPSO member for whom we have an email address. If you haven't seen these

emails, please check your spam folder. The new email format will not be a PDF version, we expect it will look similar to the aforementioned WNPS email newsletter, with articles, events, and links to additional information on the internet.

IF YOU ARE READING THESE WORDS ON A PAPER EDITION OF THE *BULLETIN*, PLEASE CHECK TO SEE IF YOU HAVE RECEIVED ANY EMAIL FROM

MEMBERSHIP@NPSOREGON.ORG. If you have not, that means you do not have your current email address. Send your correct email address to membership@npsoregon.org.

The Board is considering options for members who do not have an email address and would still like to receive a print *Bulletin*.

If you have questions or would like to be involved, please contact me at president@npsoregon.org.

NPSO Joins Biodiversity Heritage Library

The Biodiversity Heritage Library (BHL) provides free online access to publications on biological diversity. In their own words, BHL is a "consortium of natural history and botanical libraries that cooperate to digitize the legacy literature of biodiversity held in their collections and to make that literature available for open access and responsible use as a part of a global 'biodiversity commons.'" Many of these publications are in the public domain and those still under copyright are provided with permission from publishers. BHL notes that, to date, they have digitized over 120,000 titles and over 200,000 volumes from sources worldwide. To view publications, visit the searchable

BHL portal: biodiversitylibrary.org.

Native plant societies in several states, from Colorado to Minnesota to Virginia, already have publications available on BHL. Last year, BHL contacted NPSO and invited us to allow the *Bulletin*, *Kalmiopsis*, and *Occasional Papers* to be added to their online access portal. We have done so and hope this will expand our reach and help botanists, students, and native plant enthusiasts find our resources. NPSO publications will be available on BHL under a Creative Commons license that permits use for non-commercial purposes. NPSO's addition (and others) to BHL was made possible by an *Expanding Access to Biodiversity*

Literature grant, funded in part by the Institute of Museum and Library Services. Read more about the goals of this project on the BHL blog: <https://blog.biodiversitylibrary.org/2016/01/new-impls-funded-project-expanding-access-to-biodiversity-literature.html>. NPSO and other organizations new to BHL are also noted on the BHL blog at: <https://blog.biodiversitylibrary.org/2018/01/44-new-in-copyright-titles-coming-to-bhl.html>.

While NPSO publications are still awaiting their turn to be uploaded to BHL, they are already available on our own website! This includes *Bulletin* issues from September 1979–present, *Kalmiopsis* Volumes 1–21, and *Occasional Paper 3*. Thank you to Webmaster Sunia Yang for uploading many years of *Bulletins*, from really old to really new, to the website. To browse our publications archive, visit npsoregon.org/publications.html.

Friends of OregonFlora

www.oregonflora.org

OregonFlora is developing a comprehensive reference about the plants of Oregon that includes distribution maps, images of live plants and herbarium specimens, descriptions, and identification tools. The information is available to the public via our website, www.oregonflora.org. Funding for the direct operating expenses of the OregonFlora program comes exclusively from competitive grants and donations from organizations and individuals. The contributions people give of their time and financial resources are a critical part of our operating budget.

If you would like to be a part of the team that keeps OregonFlora progressing, please contact us at ofpflora@oregonflora.org, or phone 541-737-4338.

Contributions can be made online (www.oregonflora.org/supportOFP.php) or mailed directly to: Agricultural Research Foundation, 1600 SW Western Blvd. Ste. 320, Corvallis, OR 97333. Please make checks payable to the Agricultural Research Foundation and include "OFP" on the memo line.
