

Walch Meadow Preliminary Checklist

Trees, shrubs, sedges, ferns and fern allies, sedges, rushes, grasses, dicot forbs, monocot forbs, mosses and liverworts (in that order below)

Started in August 2013 by Wayne Rolle. Then Alex Maksymowicz and Cecile Shohet sent later additions.

TREES

Abies concolor/grandis

Picea engelmannii

Pinus contorta

Pinus monticola

Populus tremuloides

Taxus brevifolia

SHRUBS

Amelanchier alnifolia

Berberis sp.

Betula glandulosa

Ceanothus prostratus

Chrysolepis chrysophylla

Cornus sericea

Lonicera involucrata

Paxistima myrsinites

Ribes lacustre

Ribes viscosissimum

Rosa pisocarpa

Salix boothii (?) (with large stipules)

Salix sitchensis

Sorbus sitchensis (?)

Spirea douglasii

Symphoricarpos sp.

Vaccinium occidentale also known as Vaccinium uliginosum ssp. occidentale

Vaccinium membranaceum

FERNS, FERN ALLIES, ETC.

Botrychium multifidum

Equisetum arvense

SEDGES (All Cyperaceae)

Carex angustata

Carex aquatilis

Carex capitata

Carex cusickii

Carex disperma

Carex echinata

Carex jonesii

Carex laeviculmis		
Carex lenticularis var. lipocarpa		
Carex luzulina		
Carex simulata		
Carex vesicaria		
Eleocharis pauciflora		
Eriophorum gracile		
Scirpus congdonii		
RUSHES (All juncaceae)		
Juncus ensifolius		
Juncus nevadensis		
Juncus orthophyllus?		
Juncus tenuis var. tenuis (past coll.)		
Luzula comosa var. laxa (?)		
GRASSES		
Agrostis idahoensis (?)		
Agrostis scabra (?)		
Agrostis thurberiana (narrow panicle)		
Cinna latifolia	Past coll.	
Glyceria elata		
Phleum alpinum		
Phleum pratense		
Poa secunda ssp. juncifolia		
FORBS- dicots		
Achillea millefolium		
Aconitum columbianum		
Adenocaulon bicolor		
Anemone sp.		
Aster eatonii		
Aster ledophyllus		
Campanula sp.		
Castilleja miniata		
chimaphila umbellata		
Cirsium scariosum		
Cirsium vulgare		
Cornus canadensis		
Dodecatheon (perhaps) (capsules only)		
Drosera anglica	Per Scot Loring, not found by Rolle and others	
Drosera rotundifolia		
Fragaria vesca		
Fragaria virginiana		
Galium trifidum ssp. columbianum		
Gentianopsis simplex		
Geum macrophyllum		
Hypericum anagalloides		

Hypericum perforatum		
Linnaea borealis		
Lotus oblongifolius		
Lupinus polyphyllus (?)		
Madia bolanderi		
Mimulus guttatus		
Mimulus primuloides		
Osmorhiza sp.		
Pedicularis groenlandica		
Polemonium occidentale		
Polygonum bistortoides		
Prunella vulgaris		
Pyrola secunda	Also known as Orthilia secunda	
Rumex aquaticus var. fenestratus		
Saxifraga oregana		
Senecio triangularis		
Sidalcea oregana		
Sphenosciadium capitellatum	(ranger buttons)	
Stachys rigida		
Stellaria crispa		
Synthyris reniformis		
Taraxicum officinale		
Tiarella trifoliata var. unifoliata		
Trientalis latifolia		
Utricularia minor		
Vancouveria sp.		
Verbascum thapsus		
Veronica americana		
Vicia americana		
Viola glabella		
Viola sp.		
FORBS-monocots		
Camassia quamash		
Lilium pardilinum		
Platanthera leucostachys (Habenaria dilitata)		
Smilacina stellata		
Spiranthes porrifolia		
Tofieldia glutinosa (occidentalis)		
Trillium ovatum		
Veratrum sp.		
MOSSES		
Aulacomnium palustre		
Brachythecium frigidum (?)		
Bryum pseudotriquetrum		
Calliergonella cuspidata		
Drepanocladus aduncus		

Drepanocladus (Sanionia) uncinata		
Leptobryum pyriforme		
Meesia triquetra		
Meesia uliginosa		
Philonotis fontana		
Pohlia (?) sp.		
Rhizomnium magnifolium		
Tomenthypnum nitens		
LIVERWORTS		
Rivulariella gemmipara (in stream)		
Chiloscyphus polyanthus (in stream)		
Jungermannii (?) (in stream)		
Marchantia polymorpha		
Chiloscyphus pallescens		
Lophozia incisa		
Cephalozia sp.
